Work experience

Junior Associate

AffinityX, Dec 2022 – Dec 2023

- Developed frontend solutions for diverse commercial clients, emphasizing compatibility across mobile and desktop platforms.
- Ensured user-friendly experiences across various devices by integrating UX best practices and responsive design principles.
- Optimized existing sites to enhance speed and performance using tools like Google Lighthouse and PageSpeed Insights, alongside techniques such as image compression, script minification, and caching, while adhering to SEO principles.

Web developer

Prointen Technologies, May 2022 – Nov 2022

- Designed and developed the company's Hotel Job Portal using existing UI templates, Laravel framework for backend, and MySQL for database management.
- Created RESTful APIs with Laravel for seamless integration with mobile applications on Android and iOS platforms.

Web developer

Crelite Technologies, April 2021 – April 2022

- Designed websites for local businesses, focusing on user-friendly interfaces and effective branding.
- Designed hospital appointment system, leveraging PHP and Laravel to develop a robust and efficient scheduling platform.

Education

BCA (Bachelor of Computer Applications)

Savitribai Phule Pune University
2018 – 2021

HSC(Higher Secondary School Certificate)

Maharashtra State Board of Secondary & Higher Secondary Education,
